MANAGER

Complete SAXON \NAGER 10/07/2010

Along with transferring a ticket to another server, you can now transfer a ticket from one Table (or the bar) to another table (or the bar).

Highlight the ticket to switch and press the Transfer button near the bottom left of the screen.

Transfer Open Ticket

Move Ticket From:
MANAGER Ticket: 252

Move ticket to:
ChrisPB Donna MANAGER

The ticket number and current server will display on the screen.

To change the server, select the button with the server name from the Move Ticket To section. It will automatically return to the open tickets screen.

To move the ticket to another table, select the table button.

Tables

| | | |

| < Down | < Down | < Down |
| <input type="button" value="Exit"/> | | |

SAXON \NAGER 10/07/2010

The list of all tables will display as it does on a new ticket.

Select the table to move to and press the Pick button.

The table will be automatically changed and it will return to the open tickets screen.
